Dear IMPACT Chandler Participant:

Thank you for giving to your community! Service is an important aspect of your education and we hope you will make it a lifelong commitment. One of the requirements of the IMPACT Chandler Scholars Program is the completion of **100** community service hours during your program enrollment. Criteria to be considered an ICS Scholar at graduation includes: 95% cumulative attendance, 3.4 or greater GPA, and 100 hours of service. Once criteria is met, students may also apply for a competitive IMPACT Chandler Scholarship.

After completing an activity, please fill out the following information and have your supervisor sign. **2018-2019 sophomores, juniors and seniors** are asked to email forms or upload them to our website listed above (under the IMPACT logo on the home page). Keep the original for your records. Hours will be visible on Infinite Campus within 7 days of submission.

Freshmen: use this information to gather what you need to submit through Infinite Campus. A supervisor’s email will serve as their signature and the supervisor will be notified of your submission. They do not need to respond.

A REMINDER: A minimum of 35 hours of community service must be completed and turned into CEF before the 1st day of your junior year. Remaining hours must be received **no later than April 1st of your graduation year.** CEF and school counselors are not responsible for documentation that is lost, incomplete, or does not meet the submission deadline. Service performed through religious organizations must benefit the broader community, be performed outside of a religious organization’s grounds, and may not involve any religious teaching or instruction, i.e. Vacation Bible School. Babysitting or chores/yardwork are not accepted.
